BRACKET "B" CERTIFICATION  
Re: Socialized Tuition Fee

1. We are aware that, based on the tuition structure by the Board of Regents, households who have an annual family gross income of more than One Million Pesos (PhP1,000,000.00) during the last taxable year prior to the current registration period should be classified as Bracket "A". Those in Bracket "A" should pay One Thousand Pesos (PhP 1,000.00) per unit in tuition.
2. We certify that our household did not have an annual family gross income of more than One Million Pesos (PhP 1,000,000.00) during the last taxable year prior to this registration period.
3. We are also aware that should it later be found that we did have an annual family gross income of more than One Million Pesos (PhP1,000,000.00) during the last taxable year, the registration of our daughter/son may be revoked and/or she/he may be subject to disciplinary action.
