GENERAL INFORMATION FOR UNDERGRADUATE FOREIGN APPLICANTS

To the Applicant:

Please read the following information carefully before submitting your application. Unless you qualify under any of the requirements stated below, it will not be advisable for you to apply. Only correctly filled up application forms with the required supporting documents and the non-refundable application fee of US\$20 and P150 for non-resident and resident foreign applicants, respectively, will be processed.

I. ADMISSION OF TRANSFER APPLICANTS FROM FOREIGN COUNTRIES

A foreign student with credits for college-level work should meet the University requirements for transfer students.:

1. he must have obtained an average grade of 2.0, 86%, or B, or better, for all the collegiate academic units he has earned outside of this University; some programs required a higher weighted average than that prescribed above. For second degree applicants, the grade requirement is generally waived for a bachelor's degree holder, but not for those who have earned a title below a baccalaureate degree (e.g., Certificate);
2. he must have completed at least 33 units of academic courses;
3. he will have to complete in this university no less than 50% of the units required for his program, 75% if running for honors; and,
4. the quota set by the Dean of the college or school concerned for the course to which he seeks admission, has not yet been filled up.

The University accepts transferees every first semester of the academic year.

A TOEFL score of 500, if paper based, or 173, if computer based or 61 if internet based is also required of an applicant whose medium of instruction is school/s he attended is not English.

If the applicant is transferring from another Philippine School, he should secure a permit to transfer from the Commission on Higher Education.

Advanced Credits

An admitted transfer student must validate all the courses he is offering for advanced credits at the rate of at least 18 units a semester within a period not exceeding three semesters from the date of his admission. His admission will be on probation basis until such time as he shall validated or repeated in accordance with this rule on validation of courses, all the subjects taken outside UP which are required for his program. The student will not be allowed to enroll in a subject or subjects the prerequisite of which, taken elsewhere, have not yet been validated or repeated in this University.

II. NON-REGULAR STUDENTS

Non-regular students are (1) non-degree students, with credits, (2) cross-registrants, with credits; or (3) special students, without credit.

Non-Degree Student

A degree holder or undergraduate student who is not currently enrolled in any other institution of higher learning may be allowed to take for credit courses on the graduate and/or undergraduate level, respectively, provided that this student satisfies the appropriate requirements for admission to the University. He shall not be allowed to enroll for more than one semester, except by special permission of the Dean of the college concerned and the Registrar.

Since he does not follow any organized program of study, a non-degree student is not a prospective candidate for graduation for any degree in the University.

Special Students

A mature student, even if he does not fully satisfy the entrance requirements, may be admitted as a special student and may enroll for such subject which, in the opinion of the instructor and the Dean, he has the necessary information and ability to pursue profitably.
