ENTRANCE HEALTH EXAMINATION

A complete Medical History and Physical Examination is compulsory to complete your admission to the University of the Philippines Visayas and must be on file before your registration. This is your responsibility as applicant and not that of your physician. Please type or complete in ink. This record will be treated with utmost confidentiality.

Important: Please bring accomplished form with you to the UPV Health Services Unit when you come for a physical examination.

PLEASE KEEP THIS FORM NEAT AND CLEAN

- A. Complete this form if you are enrolling during a regular semester and if you are:
1. A beginning undergraduate or a beginning graduate student.
 2. A transfer student from a regional campus or another school or university.
 3. A re-entry student (undergraduate or graduate) who has been out of the University of the Philippines for at least one semester.
- B. Completion of this form is not required if:
1. You are a foreign student sponsored by a government agency whose files provided a complete health record signed by a physician. A copy of the health record should be submitted in lieu of this form.
 2. Enrolling for a Midyear Session only.

PLEASE PRINT LEGIBLY. USE BLACK OR BLUE INK. MARK APPROPRIATE BOXES WITH CHECK (✓). PRINT ON A4 PAPER BACK-TO-BACK.

Part A (GAD-7): Please mark (X) the box to your corresponding answer.

Over the last 2 weeks , how often have you been bothered by any of the following problems?	Not at all	Several days	More than half the days	Nearly everyday
1. Feeling nervous anxiety, or on the edge				
2. Not being able to stop or control worrying.				
3. Worrying too much about different things.				
4. Trouble relaxing.				
5. Being so restless that it is hard to sit still.				
6. Becoming easily annoyed or irritable.				
7. Feeling afraid as if something awful might happen.				
SCORE =				

Part B (PSQ-9): Please mark (X) the box to your corresponding answer.

Over the last 2 weeks , how often have you been bothered by any of the following problems?	Not at all	Several days	More than half the days	Nearly everyday
1. Little interest or pleasure in doing things.				
2. Feeling down, depressed, or hopeless.				
3. Trouble falling asleep, staying asleep or sleeping too much.				
4. Feeling tired or having little energy.				
5. Poor appetite or overeating.				
6. Feeling bad about yourself – or that you’re a failure or have let yourself or your family down.				
7. Trouble concentrating on things, such as reading the newspaper or watching television.				
8. Moving or speaking so slowly that other people could have noticed. Or, the opposite – being so fidgety or restless that you have been moving around a lot more than usual.				
9. Thoughts that you would be better off dead or of hurting yourself in some way.				
SCORE =				
If you checked off any of the problems on this questionnaire, how difficult have these problems made it for you to do your work, take care of things at home or get along with other people?				

	YES	NO
In the past year, have you felt depressed or sad most days, even if you felt okay sometimes?		
If you checked off any of the problems on this questionnaire, how difficult have these problems made it for you to do your work, take care of things at home or get along with other people?		
Has there been a time in the past month when you have serious thought about ending your life?		
Have you ever in your WHOLE LIFE, tried to kill yourself or made a suicide attempt?		

This is to acknowledge that I have been advised to comply with above recommendations by the undersigned medical examiner.
